Introduction

The Continuous Professional Development Support Scheme (CPD–SS) is funded by the HSE to facilitate Non-Consultant Hospital Doctors (NCHDs) who are not in training posts to maintain and enhance their clinical knowledge and skills and to fulfil the Medical Council requirements regarding professional competence.

The CPD-SS has been developed with a view to providing NCHDs who are not enrolled in specialist training with professional educational/training courses and activities to assist the NCHD with fulfilling some of the requirements of their Professional Competence Scheme. NCHDs can apply for the CPD-SS if they:

1. Hold NCHD Contract 2010 and work in the Irish public health service
2. Are registered on the General Division or Supervised Division of the Register of Medical Practitioners maintained by the Medical Council
3. Are currently enrolled in a Professional Competence Scheme as required by law

To access the scheme in 2018/9, NCHDs must register with a Training Body before 30 September 2018. Eligible NCHDs can then access financial support for training and educational activities of up to 20 external credits or 3 days per annum, whichever is greatest.

Further details are available in the HSE's [Guidance Document on Continuous Professional Development Support Scheme \(CPD - SS\) for NCHDs](#)

NCHDs have access to the full range of clinical courses/activities provided by all Irish Training Bodies. For example an NCHD who is registered with the Royal College of Physicians of Ireland for the CPD-SS may attend a course provided by the College of Anaesthetists.

The courses available to all NCHDs registered on the CPD-SS from September to December 2018 are listed below by date and by Training Body.

CPD-SS Courses September – December 2018

Date	Course title	CPD-SS credits	Venue of course	Training Body
01 September 2018	Attachment Disorders	TBC	William Stokes Postgraduate Training Centre, St. James's Hospital, Dublin 8	College of Psychiatrists of Ireland
07 September 2018	Trauma Skills- a C, A,B,C Approach	7.5	26 York Street, RCSI	Royal College of Surgeons in Ireland
07 September 2018	Medical Ophthalmologists Workshop - Understanding Change Management	3	RVEEH, Dublin	Irish College of Ophthalmologists
10 September 2018	Upper GI Surgery	7.5	26 York Street, RCSI	Royal College of Surgeons in Ireland
