

Uveitis – treatment and management update

SAVE THE DATE

Thursday 14th September 2017

Conference Centre, Royal Victoria Eye and Ear Hospital, Dublin
17:00-19:00 (followed by dinner at Forest Avenue, Dublin 4)

Allergan are delighted to invite you to save the date for this Uveitis, treatment and management update to mark the occasion of their 40th anniversary in Ireland.

Through a series of lectures this meeting will provide clinical and practical updates on uveitis, including shared care management of Bechet's disease and patient care pathways in uveitis – post NICE.

This one day meeting is aimed at clinicians working in medical retina and uveitis management.

Chair: Professor Conor Murphy, Consultant Ophthalmologist, Royal Victoria Eye and Ear Hospital, Dublin

Speakers to include:

Professor Robert Moots, Consultant Rheumatologist, University Hospital, Aintree

Mr Carlos Pavesio, Consultant Ophthalmologist, Moorfields Eye Hospital, London
Additional speakers to be confirmed.

Mr Dara Kilmartin, Consultant Ophthalmologist, Royal Victoria Eye and Ear Hospital, Dublin

Places are strictly limited so please register your attendance by emailing
Fiona.FlynnSmith@allergan.com

CPD has been applied for.
