42nd Annual Congress – Dublin, 2023

President – Dr Anil Sharma, Secretary – Dr Amit Kishore, Treasurer – Mr Prateek Akhoury

Dear [{insertname}](#)

We are extremely delighted to announce that with the support of Dr Dharm Nath Pandeya, Mrs Anila Pandeya, Mr Stuart Thornton and the BJMA Central Executive Committee, the 42nd BJMA event will be held in Dublin, Republic of Ireland.

The Local Organising Committee has organised a two-day event (22nd and 23rd of July 2023), which will include a number of Scientific Sessions that can only be attended by Healthcare Professionals, in line with the ABPI Code of Practice requirements. The educational talks will attract verifiable CPD hours, and will be provided by doctors and consultants of various medical fields to provide a well balanced weekend of education ensuring the delegates are kept up to date with the latest developments in the medical field.

We are particularly pleased to invite you to show your support to this first international event for BJMA. We are enthusiastically certain that you will enjoy the attendance of our delegates and they will equally appreciate your contribution to our beloved annual event.

All that leaves us to say is that we look forward to seeing you on the 22nd and 23rd July, and hope that you would support us in making this day a success.

Kind regards

Dr Dharm Nath Pandeya/ dharpandeya20@gmail.com

Dear **{insertname}**

We are extremely delighted to announce that with the support of Dr Dharm Nath Pandeya, Mrs Anila Pandeya, Mr Stuart Thornton and the BJMA Central Executive Committee, the 42nd BJMA event will be held in Dublin, Republic of Ireland.

The Local Organising Committee has organised a two-day event (22nd and 23rd of July 2023). The local organising committee is expecting in excess of 300 delegates to attend this event. Having been through these testing times, this is the first of our usual two-day annual event since 2019. As you can imagine all of us have been waiting desperately to get back to normality and catch up with our close friends and celebrate whilst supporting our especially chosen businesses.

We are particularly pleased to invite you to show your support to this first international event for BJMA. We are enthusiastically certain that you will enjoy the attendance of our delegates and they will equally appreciate your contribution to our beloved annual event.

All that leaves us to say is that we look forward to seeing you on the 22nd and 23rd July, and hope that you would support us in making this day a success.

Kind regards

Dr Dharm Nath Pandeya

Bihar Jharkhand Medical Association, UK

History of BJMA (UK)

The name “*Bihar*” is derived from *Vihara*, which means “abode” The name “*Jharkhand*” means “The Land of Forests”.

Bihar is a state in eastern India. It is the 12th largest state. The Bihar plain is divided into two parts by the river Ganges. Patna is its capital.

Jharkhand was carved out of the southern part of Bihar on 15th November 2000. The industrial city of Ranchi is its capital, while Jamshedpur is the largest city of the state.

Bihar and Jharkhand have an inseparable identity, as India’s first empire, the Maurya Empire, Buddhism and Freedom struggle for India arose from this region

Bihar and Jharkhand Medical Association (BJMA) UK was formed 42 years ago. It is the oldest association of overseas doctors working in the NHS in the UK. These doctors have contributed hugely to the welfare of the people of the UK.

The objectives of the BJMA are:

- To maintain the honour and dignity and uphold the interests of the medical profession.
- To promote co-operation and social integration amongst the members and their families.
- To maintain links with the medical colleges in Bihar and Jharkhand through various educational activities.
- To support charity in the United Kingdom, Bihar and Jharkhand through various means.

To achieve these objectives BJMA shall:

- Hold annual educational conference for the members of the BJMA and the medical professional in general.
- Publish a magazine and directory of members annually, in association with the organising secretary of the annual reunions.
- Collect subscriptions from members and raise separate funds for charity as and when necessary, in such a manner as the BJMA Central Executive Committee may think fit.

Central Executive Committee: The association has elected members for a term of office for three years and consists of: The President, The Immediate Past President, Vice President, Secretary, Joint Secretary, Treasurer, Joint Treasurer, Twelve Executive Committee members, Co-opted members and The organising secretary of the next Annual Scientific Congress.

Annual scientific Congress: BJMA (UK) has been holding annual scientific congress for the last 41 years. No other association of overseas doctors have held scientific congress to the scale BJMA (UK) has done over so many years.

42nd Annual (International) Scientific Congress: It is a matter of pride that the 42nd Annual Scientific Congress will be held in Dublin, the first time to be held Internationally. The Congress will be hosted by Dr Dharm Nath Pandeya, Consultant Ophthalmologist and his gracious wife, Mrs Anila Pandeya.
