VIRTUAL SURGICAL
COURSE

CHAIR:

Mr. Imran Masood, FRCOphth

Consultant Ophthalmologist at the Birmingham and Midlands Eye Centre

Saturday April 17th

9:30 - 11:30 am (UK time)

This online course is aimed at ophthalmic surgeons who are considering introducing a trabecular bypass service to their hospital or are interested in learning more about the technique and technology that has become so widely adopted in the surgical treatment of primary open angle glaucoma.
