

SCOPE OPHTHALMOLOGY CASE AWARDS

2023

The **Scope Ophthalmology Case Awards** are designed to reward excellence in Ophthalmology across the UK and Ireland.

Participants

Participants must be a registered healthcare professional working in eye care in the UK or Ireland. They must be an Ophthalmologist in training, a fellow or research fellow.

Contest

- Participants are invited to submit an interesting clinical case that they were involved in. The case must be related to Anterior Segment, Oculoplastics or Glaucoma
- Six Finalists will be selected to present their cases at the Scope Case Awards virtual meeting on the 31st July 2023
- Two award winners will be then chosen by a panel of judges at this meeting
- Cases can be submitted via email to medical@scopeeyecare.com

Closing date for entries is the 12th June 2023

Award

- The Two Winners will each receive an Unrestricted Education Bursary for **£/€2,500**
- The other four finalists will receive **£/€300**
