13-10 ינואר, 2018 | מלון הרודס, אילת

The Annual Conference on Ocular Microsurgery

Local (Hebrew): 10-11 January, 2018

International (English): 12-13 January, 2018

Herods Hotel | Eilat, Israel

Special Group Discount

***For every 10 registrations
the 11th registration fee will be waived***

Registrants will have the opportunity to not only take part in a stimulating conference, with world renown speakers and over 30 exhibitors, but will also have the opportunity to come and visit a warm and sunny country in mid-January.

This is also a special year as Israel celebrates its 70th year of independence and in light of this celebration there will be a special mention of this at the conference.
